*It is imperative that parents read and understand all aspects of the RMS-BASC agreement, which is a legal and binding document. **Please INITIAL** after reading each point.*

\_\_\_\_\_ The monthly BASC payment is due at the first of every month along with the monthly tuition payment and is calculated on the estimated number of hours required.

\_\_\_\_\_ By enrolling in a pre-paid plan, I am securing care for the estimated number of hours whether I use all of the pre-paid hours each month. I understand that it is my responsibility to estimate my plan as closely as possible to actual hours needed.

\_\_\_\_\_ Actual calculated time spent in BASC is used to assess enrollment in the appropriate pre-paid program as well as bill accounts when time used exceeds pre-payment, but is not used to provide credits for unused minutes.

\_\_\_\_\_ All adjustments to BASC plans must be submitted to the office in writing and may only be made at the time of the tuition payment. Adjustments will be subject to a prorated amount and a \$10 administration fee.

\_\_\_\_\_ A late fee of **\$2.00 per minute** will be charged for every minute my child remains in care after 6:00 pm.
